

YOUR FLOTILLA NUMBER

U.S. COAST GUARD AUXILIARY DISTRICT 7 RBS PROGRAM VISITORS

SOURCE: AUXILIARY MANUAL, Chapter 4, Section A-4

Auxiliary flotillas are designated by Arabic numerals. **The first numeral indicates the division, followed by the flotilla number.** The name of the city or town in which the flotilla is located completes the designation. For example, Flotilla 32, St. Louis, is Division 3, Flotilla 2, located at St. Louis, Missouri.

When either the number of divisions or the number of flotillas exceeds nine, use a hyphen between the flotilla and division number. For example, 11-4 or 6-10.
